

Finncont signs BC3 Logistics Spain deal

The Finland based Finncont Oy, one of the leading manufacturers of metal and plastic IBCs in the Europe, has appointed BC3 Logistics as its new Spain distribution partner for IBCs under Finncont® brand name.

The partnership with BC3 Logistics is one further step to build up a Europe-wide sales network. Finncont has also distributor partners in UK, German and Poland. The target is to find distributor partners for France, Italy and Benelux markets.

Located close to Barcelona, BC3 Logistics is able to cover the whole area of Spain. BC 3 Logistics has strong position in Spanish markets and it is one of the market leaders in the liquid bulk sector with clients present in the chemical, food grade, cosmetics and pharmaceutical sectors.

BC3 Logistics is able to use over 30 years experience of Finncont with IBCs and the product offering is now completed with Finncont's steel IBCs for chemical industry as well as food and cosmetics. BC3 Logist is Finncont's sole distributor as from April 1. 2007 in Spain.
