

New distributors for Finncont Oy

The Finland based Finncont Oy, one of the leading manufacturers of metal and plastic IBCs in Europe has appointed pack2pack Mendig GmbH & Co. KG as its new sales and distribution partner for the whole Finncont® product range in Germany. Co-operation with pack2pack Mendig started 1st of March 2007.

pack2pack Mendig is market leader for reconditioned drums and light duty IBCs in Germany.

The partnership with pack2pack one step further to build a Europe-wide sales network, Finncont already has distributors in UK, Poland. Further search of new distributors is going on in France, Belgium and the Netherlands.

With Finncont's steel IBCs pack2pack Mendig can now offer the complete range packaging for chemical as well as food and cosmetics industries in Germany.
